

CORONAVIRUS/COVID-19 STATEMENT FROM THE GUSTINE FAMILY AND STAFF

To our loyal camping families:

First and foremost, we hope you and your families are well, healthy and safe. In an effort to do our part, for the safety of our staff and the camping population during this Coronavirus outbreak, we would like to inform you of the following:

1. We have reviewed the CDC guidelines with our staff and we are sanitizing for safety.
2. Appointments may be made by telephone for seasonal sites, purchases, etc. We are still working!
3. Our goal is to be open May 1, 2020 as scheduled. Based on guidelines we have to follow as a business, there may be modifications to activities, rec hall usage, etc. We will update accordingly as we are updated by our leaders. Please be patient as we navigate these uncharted waters together. We are DILIGENTLY getting the yard ready, the store stocked and making new purchases to promote “families making memories” and having clean, outdoor good old fashion fun!
4. The office will be locked and closed to foot traffic until April 1, 2020. Also, bathrooms will not be open for use. You are welcome to walk in at any time to check on your campsite and belongings.
5. We will be able to accept reservations and payments by telephone. Let’s be ready to be in the fresh air, the woods and for some family camping on May 1st! The one thing we can take from this “new normal” is the ability to enjoy our families and the great outdoors at Wolf’s Den!
6. We are here to guide you, answer any questions or just talk – don’t be afraid to call us at 860.873.9681 or email us at wolfsdencamp@msn.com. You can also private message us on Facebook at Wolf’s Den Family Campground.
7. Please share this information with anyone you know that camps with us that may not be on social media.

You are all important to us and we care. We will update you of any changes.

Glenn, Bruce, Michele, Carolyn and Staff at Wolf’s Den Family Campground
